TEAM BUILDING

Companies don't succeed, people do. Team Building programs help employees of an institution share and understand the Strategic Business objectives and thereby exceptionally execute them to their actualization.

Mr. Patrick D. Chisanga during the Induction training of the NIPAM full Board of Directors

CORPORATE GOVERNANCE TRAINING

Good Corporate Governance will attract Investors and other Stakeholders, while bad governance can lead to scandal and ruin an institution or an organization.

Corporate Governance is the system of rules, practices and processes by which a company is directed and controlled. Corporate Governance essentially involves balancing the interests of a company's many stakeholders.

Namibia Institute of Public Administration & Management

- We are pleased to extend our warm gratitude to the Namibia Institute of Public Administration & Management for the consideration to have DCL represented by Mr. Patrick D. Chisanga be part of a team that conducted the Board Induction training for their just appointed Board of Directors.
- Such levels of commitment to ensure that Directors undergo Corporate Governance training just after their appointments as they begin their journey in their roles as Directors is highly commended.

Mr. Patrick D. Chisanga

It is inspiring to see the Corporate Governance landmarks that have been achieved in Namibia, both in the public and private sectors.

A job well done to the Namibia Institute of Corporate Governance for the incredible landmarks in the promotion of best practices of Corporate Governance in both the public and private institutions.
